

Diversity Internship Opportunity – Fall Semester

Join Us In The Fight Against Cancer!

Cancer affects everyone, regardless of race or ethnicity. That's why the American Cancer Society depends on a diverse group of talented people who are committed to eliminating cancer, serving our communities, and reaching underserved populations through research, education, advocacy and service.

Join our reputable organization as an intern to learn more about careers available in the non-profit industry such as fundraising, sales, public relations, marketing, and community relations. We believe that a diversity of perspectives, ideas and cultures leads to the creation of better programs and services. In this role YOU will support and work closely with the Director of Diversity Initiatives as well as other experienced leaders. You will assist on an array of projects including preparing diversity research reports, planning career fair exhibits, developing diverse community outreach proposals and assisting with the maintenance of diverse relationships.

We are looking for an intern that possesses the demonstrated ability to handle multiple priorities, manage relationships, conduct internet research and monitor projects. This internship requires that you are actively pursuing a degree and maintain a 3.0 GPA on a 4.0 scale. Part time hours are available and negotiable. Pay range \$10 to \$12 per hour. Position located in Tampa, FL at the American Cancer Society, Florida Division office.

The American Cancer Society is an Equal Opportunity Employer committed to Diversity.
